ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers

Contact us as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60

days after we sent the FIRST statement on which the problem or error appeared.

(1) Tell us your name and account number (if any).

(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can

why you believe it is an error or why you need more information.

(3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10

business days.

We will determine whether an error occurred within 10 business days after we hear from you and will

correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days

for the amount you think is in error, so that you will have the use of the money during the time it takes

us to complete our investigation. If we ask you to put your complaint or question in writing and we do

not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90

days to investigate your complaint or question. For new accounts, we may take up to 20 business days

to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide

that there was no error, we will send you a written explanation. You may ask for copies of the

documents that we used in our investigation.
